Kodak E1030/E1040 Scanners

Scan. Send. Done.

Powerful, compact scanners that simplify data capture workflows

Transform your paper documents into intelligent and accurate information while enhancing your business processes. The new **Kodak** E1030/E1040 Scanners are fast, accurate, and reliable. They are ideal for small to medium businesses, distributed offices, and reception areas. Easily integrate the E1030/E1040 Scanners with your existing applications, on-site or in the cloud.

Turn paper into productivity

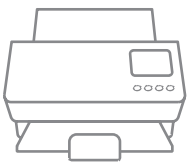

Manual paper processes are time consuming and prone to human error. With **Kodak** E1030/E1040 Scanners, you can capture important information from paper quickly—then send, save, and access it digitally.

- Simple setup and intuitive controls make it easy to start scanning right out of the box
- Capture information fast with "instant on" technology
- Scan practically anything: various paper sizes and weights, ID cards, forms, passports, and more1
- Scan with ease and get data to the right places and people instantly, enabling information access on demand

Unsurpassed simplicity and peace of mind

Multi-feed detection helps prevent paper jams and protects your originals.

- Easily process up to 5,000 pages per day—at speeds up to 40 pages per minute2
- Backed by industry-leading service and support, plus an array of flexible, customizable service plans that go beyond your original warranty

Compact and intuitive design

E1030/E1040 Scanners are small, quiet, and easy to use

Digital images better than the originals

New Dual Illumination and Perfect Page technology deliver optimal image quality and Optical Character Recognition (OCR) accuracy

Scan and send information with one touch

Built-in Smart Touch technology simplifies complex and repetitive tasks

Scan directly to apps

Seamlessly integrate scanning into your existing systems and apps—E1030/E1040 Scanners include a variety of driver options to support your business applications

Read barcode information accurately

Easily sort, separate and identify documents automatically, for more efficient business processes

Key features

1. Simple numeric display enables one-touch scanning of up to 9 different jobs
2. Smart Touch makes it easy to scan to file locations, popular cloud services, email, networked printers, and third-party applications
3. Scan a variety of document types and sizes, including passports and fragile documents via optional accessories1
4. Capture more documents at once with the largest feeder capacity in its class
5. Multiple driver compatibility: TWAIN, ISIS, WIA, and SANE
