Kodak ScanMate i940 Scanner

Capture, manage, and distribute information with ease and speed

The perfect compact desktop and mobile scanning teammate

If you need to scan, store, manage, and send information to various locations and people within your organization with ease, you need a **Kodak ScanMate** i940 Scanner. It moves your valuable information from paper into your workflow quickly and intuitively.

Scans various paper sizes and weights

- 20-sheet automatic document feeder that can handle business cards, ID cards, and embossed hard cards

The Kodak ScanMate i940 Scanner does more in less space

Saves time

- Smart Touch streamlines multiple-step scanning and organizing operations automatically with simple one touch operation

Saves space

- Compact, highly portable scanner takes up less desk space

Scans anywhere

- USB-powered to provide the power of a desktop scanner with the flexibility of a mobile scanner

Plays well with others

- Compatible with most scanning software

Creates sharp images – even better than the originals

- Perfect Page technology is built in—or clear images with bright colors and crisp text

Keeps contacts up to date

- Easily edit and synchronize business card information via your contact management software

Delivers peace of mind

- 3-year advanced unit replacement warranty on a well-made, proven scanner

Kodak ScanMate i940 Scanner
